## The Friends & Family Party

An ideal way to raise between \$500 and \$1000. Great for PTA's, school groups, and youth sports organizations.

The organization sells tickets for, i.e. \$15 to attend a bowling fundraiser party which will include a 3 hour bowling party with shoe rental (can be regular bowling, 9 pin no-tap, colored pins, etc.) Refreshments, prizes, and even COSMIC bowling can be added. For each ticket sold the group keeps a portion of it (ex - \$5.00) If a person who bought a ticket does not attend the bowling fund raising party, the group gets to keep all of the ticket price.

### **EXAMPLE:**

Group sells 100 tickets  
@ \$15 = \$1500.

**60 people show up at party**  
x \$5.00 = \$300

**40 people do not show up**  
X \$15 = \$600

**-TOTAL RAISED-**  
**\$900.00!!**

## Corporate Captains Team Bowling

Perfect for the large fundraiser that can be a big part of any non-profits budget. Works great for larger corporations who are looking to raise money for a foundation or larger charity.

Example:

16 TEAM CAPTAIN VOLUNTEERS are assigned by chairperson. Those captains go and field their own team of 5. (counting themselves) All 5 team members solicit donations (ex- 10 people for \$10 each). They then enjoy a fun 3 hours of Glow Bowling knowing they helped raise money for a great charitable cause.

Example- 16 teams of 5 bowlers = 80 bowlers X 10 donations of \$10 each = \$8,000.00  
Less bowling center cost \$-1000  
Less prizes, supplies, misc.- \$500  
**Total Raised \$6,500.00!**

## Bowl A Thon Pledge Bowling

Each person in your group solicits pledges from friends, family, neighbors and associates. Pledges can also be based per game or per pin. Some groups ask for \$5, \$10, \$15 per pledge. Both examples may be combined to receive maximum contributions.

*EXAMPLE 1:*

Each bowler receives a \$10 pledge from each contributor.  
\$10 x 15 pledges = \$150  
25 bowlers x \$150 = \$3,750  
Less cost of bowling = \$325  
**Total Raised = \$3,425!**

*EXAMPLE 2:*

Average score per bowler per game is 110 pins .  
Each bowler gets 15 pledges x .05/  
pin = .75  
110 pins x \$.75 = \$82.50  
25 bowlers x \$82.50 = \$2062.50  
3 games x \$1518.75 = \$6187.50  
Less cost of bowling = \$-325.00  
**Total Raised = \$5,862.50**

Let our experienced sales and management team help you with your fundraiser needs. We can CUSTOMIZE any fundraiser to suit your expectations. Don't Wait!!
